

ARENDAL

UNPACKING GUIDE

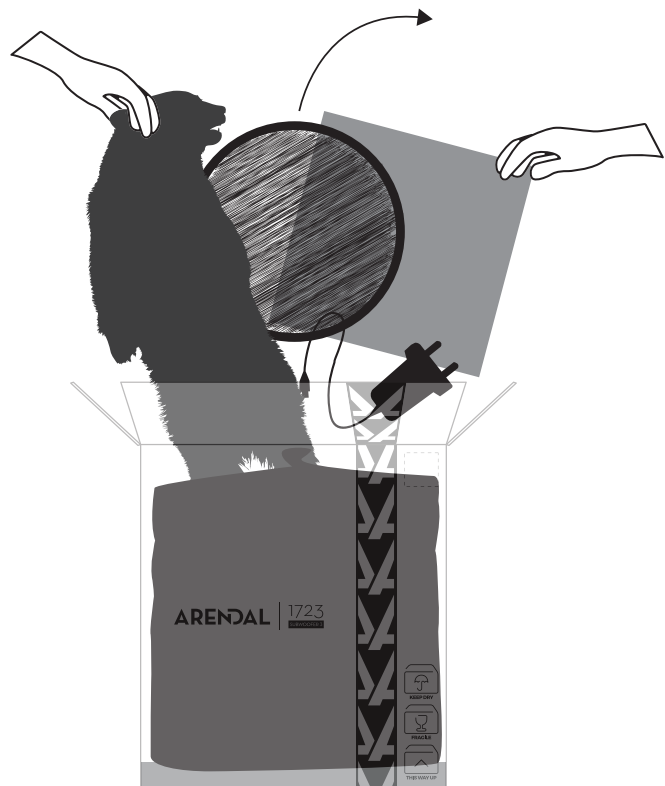

1

Carefully cut the packing tape along the seam of all top flaps.

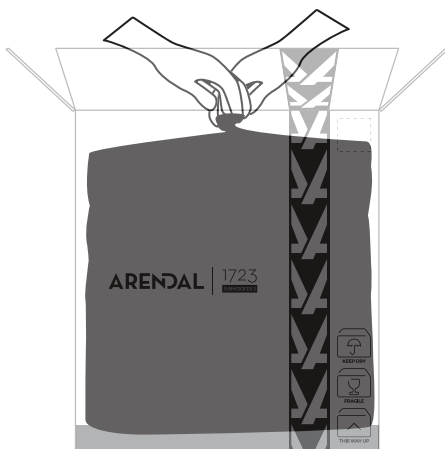

2

Fold back the carton flaps, and set aside of all the stuff on top.

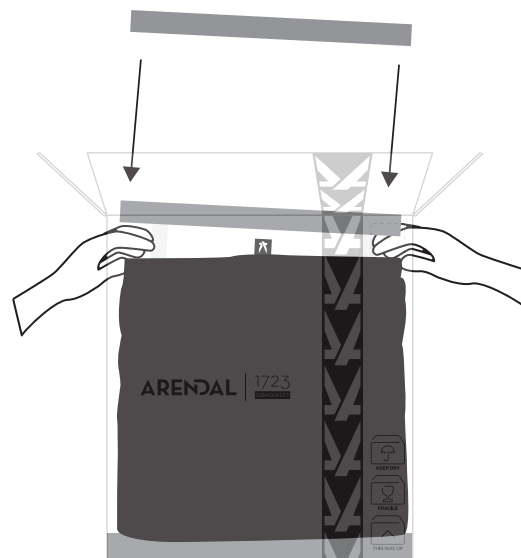

3

Untie the bag and push it down like a sock, clear of the subwoofer base.

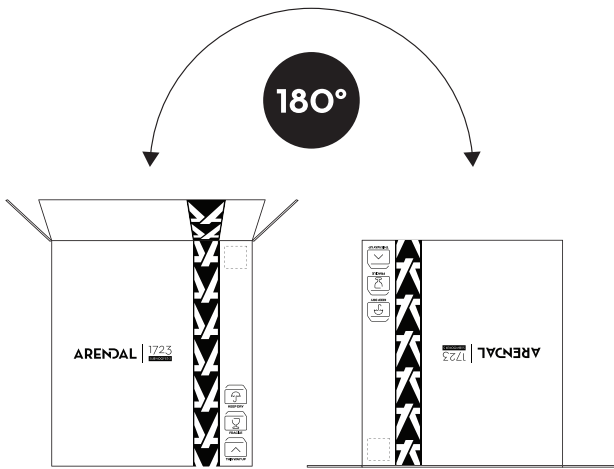

4

Replace the packaging on the subwoofer base.

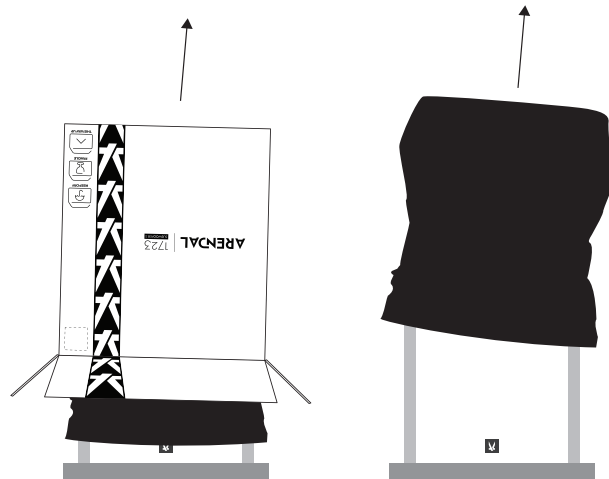

5

Carefully turn the box over. You may ask your mother for help.

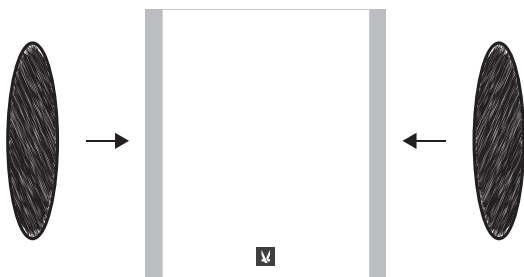

6

Remove the box, raise the curtain and reveal your new baby.

7

Place the beautiful magnetic grill(s).

8

Prepare your neighbours for some proper earthquakes.

9

Plug 'n' Pray.
